

**Protocols For Being A Respectful
Listener to Those Who Use Alternative
Methods of Communication**

- Listen Carefully
- Be Patient
- Don't Interrupt
- Be Direct With Questions
- Speak Directly To Communicator
- Give Communicator Time To Communicate
- Don't Chat While Waiting For Communicators Response
- Treat Others The Same As You Would Want To Be Treated If You Were "Speaking"

Listen Carefully

What I have to say is important. So listen so you don't get confused and I don't have to repeat myself.
